## Towards Greater Heights

Dear Students, Parents, and Educators,

New Session at our School began with great **enthusiasm, learning, creativity, and meaningful engagement** across all grade levels.

Since our school, education extends far beyond textbooks, we strive to nurture **confident learners, compassionate individuals, and responsible global citizens**. It has been heartening to witness our students embracing **new opportunities**, participating actively in **academics, sports, arts, leadership initiatives, and community-building** activities with great zeal.

The beginning of every session sets the tone for the year ahead, and this quarter has beautifully reflected our shared commitment towards **excellence, discipline, innovation, and holistic growth**. I sincerely appreciate the relentless efforts of our teachers, the unwavering support of parents, and the **curiosity and dedication** of our students who together make our institution thrive.

As we move forward, let us continue to inspire young minds to dream fearlessly, think critically, and act with kindness. May the coming months bring greater achievements, stronger collaborations, and many more memorable learning experiences.

Wishing everyone a successful and enriching year ahead.

Warm regards,

**Dr. Ruchi Seth**

Associate Director

## From the Vice Principal's Desk

"Education is not the learning of facts, but the training of the mind to think."

Dear Parents, Students, and Members of the NLK Academy Family, It gives me immense pleasure to welcome you to the new academic session 2026–27 and the first edition of the NLK Academy Newsletter.

At NLK Academy, we remain committed to academic excellence through **competency-based learning, experiential education, and skill-oriented teaching** aligned with CBSE guidelines. Our aim is to **nurture confident, disciplined, and future-ready learners** equipped with **critical thinking and lifelong learning skills**.

With the continuous efforts of our dedicated faculty and the support of parents, we look forward to another year of **growth, achievement, and success**.

Wishing all our students a joyful, enriching, and successful academic year ahead.

Warm Regards,

**Shyam Lungani**

Vice Principal, NLK Academy

## The Visionaries Behind The Pages

The Editorial Team of "The Academy Tales" is committed to creativity, collaboration and communication. We brainstorm, create, design and publish this newsletter with passion and pride.

“ The beginning is always today. Make it amazing! ”

## Watch Out, School- Here I Come!

Our preschoolers returned after the break to a lively **Welcome Party** filled with laughter and joy. From exciting horse rides and class party vibes to playful activities and cheerful moments with friends, the day was a heartwarming celebration of togetherness and fun

.Together, both celebrations reflected the spirit of NLK Academy- where every child is welcomed with **love, encouraged to explore, and inspired to grow.**

## Planting tomorrow with joyful hearts

The first day at NLK Academy was filled with **joy, creativity, and excitement** as our little learners enthusiastically participated in fun activities like spoon art, adjective-based **imagination tasks**, and **crown making.**

Through **playful learning and creative expression**, students **explored, imagined,** and confidently showcased their talents, making their first day truly memorable.

## Hand-in-Hand for Every Child's Success

Our Parents' **Orientation** marked the beginning of a meaningful partnership

between school and home at **NLK Academy, our temple of wisdom.** Beyond textbooks, we focus on **nurturing lifelong values, building strong character, and encouraging critical thinking** in every learner. The session reflected our shared commitment to guiding children to dream with purpose and grow with confidence. Together, we take the first step in shaping **responsible, and empowered** individuals-the leaders of tomorrow.

## Super Moms Celebration

NLK Academy joyfully celebrated **Mother's Day** for Preschool and Grades 1-5, cherishing the special bond between mothers and children. The occasion was honoured by the gracious presence of Mrs. Reita Reuben and Mrs. Anita Kapoor. The **"Little Chefs & Loving Moms"** activity added charm to the celebration as mothers and children prepared **delectable delights** together, reflecting creativity and togetherness. Ms. Renu Shah, entrepreneur and member of the Kanpur Parivartan Forum, joined the event as the judge. The celebration was filled with memorable moments for the entire NLK family.

## Mother : The heart of home!

Mother is a word so pure  
It's like magic and allure, her one smile  
takes me to a hundred miles,  
Through storms of fear and silent trials.  
Her gentle hands can heal my pain,  
Like summer sunlight after rain.  
She stands beside me night and day,  
Guiding my steps along the way.  
A mother's love so deep, so true,  
No precious gem could match its hue.  
Her sacrifices stay unseen,  
yet make my darkest moments clean.  
She gives me strength,  
She gives me light,  
and turns my weakness into fight.  
Mother is not just a word we say,  
she is the reason we find our way.

- Omisha Kant, 11A

## Breeze That Stays

Gazing back at the years we spent,  
through hallways where our laughter went.  
Wrapped in the mist of a passing day,  
I remember the moments that flew away.  
Though I know these days can never be the same,  
but also those moments couldn't be replaced.  
May we never meet again, still my shirt must have those lovely hand stains,  
with the instance which make them "The MAIN."  
Recall that time when we fear to step outside,  
but now we are stepping without each other's support.  
Still if we reverse the time it will make us same again-  
Linger here, proud on the share,  
Clinging to the youth that I adore,  
Left with a breeze that refuse to part-  
A beautiful chapter locked in my heart.
